

Student Franciscans Care Agreement

As members of the USF community we commit, not only to our mission and Franciscan Values, but more importantly, to each other. St. Francis of Assisi showed that our lives are intertwined, interdependent, and grounded in Jesus' commandment of love:

Let [us] love one another, as the Lord says: "This is my commandment: love one another as I have loved you." Let [us]

*express the love [we] have by our deeds...*¹

As we have adapted our personal lives during the pandemic, we have new opportunities to express our care, concern and compassion for each other in a campus influenced by COVID-19. Let us re-commit to our Franciscan Values in the following ways to express our "Franciscans Care" approach to this moment as members of the USF community:

As a sign of my care for the well-being of myself and my fellow Cougars, I Agree to:

Reverence the unique dignity of each person by

- *Finding creative and touchless ways to greet others*
- *Respecting the personal space of others and adhering to social distancing requirements*

Encourage a trustful, prayerful community of learners by

- *Actively engaging and investing myself, my energy and my commitment to the learning environment, both within and outside of the classroom.*
- *Being accountable and holding friends, colleagues, faculty and staff accountable to protect our campus community.*

Serve one another, society and the Church by

- *Practicing good hygiene: frequent hand washing/hand sanitizing, coughing/sneezing into the bend of the arm or a tissue*
- *Daily disinfecting my personal spaces*
- *Properly wear a face covering*

Foster peace and justice by

- *Self-monitoring daily for COVID-19 symptoms*
- *Staying home if I exhibit COVID-19 symptoms*
- *Reporting positive test results to the Student Affairs Office*
- *Being mindful of where I have been and with whom for potential contact tracing*

Respect creation by

- *Mitigating surface contact with doors, railings and other high contact areas*
- *Ensuring the safety of non-university guests by not bringing them to the campus. In these ways I will show that Franciscans care.*
